

As a customer, you are part of the incredible fabric that is Bailey's. We invite you to submit your favorite family recipe to be considered for inclusion in a Bailey's Cookbook we're creating to celebrate the people of Bailey's Produce & Nursery. Proceeds will be given to a local non-profit.

Step 1: Choose a recipe using produce, products, and even plants you've purchased at Bailey's. Per copyright law, the recipe must be an original (please don't submit one that has been published elsewhere).

Step 2: Tell us the name of a local non-profit you'd like to see benefit from the sale of the cookbook. We ask that the non-profit serve local children and be either food- or garden-related.

Step 3: Complete the recipe form and drop it in the red box at the front of the store. Or, email the content from this form to: market@baileysproduce.com.

Step 4: Be sure to include your email address so that we can keep you apprised of the cookbook status as well as other Bailey's updates. If there are questions about your recipe and we're unable to reach you, your submission cannot be considered for inclusion.
